Let's breakdown the chart above for you. If you purchase the 3-Year / 36,000 miles term for \$1,429, your coverage term will start that day. The 36,000 miles are in addition to the miles at the time of enrollment. If your bike has 10,000 miles on it, the coverage would extend to 46,000 miles or (3) years--which is first.
