Why American Modern??

Replacement Coverage that NEVER Expires!

When you add replacement cost coverage when the bike is new — or even up to two model years old — you can keep that level of protection for as long as you own the bike. That eliminates depreciation in the event of a claim. Most other insurance companies cancel replacement cost when the bike reaches its third year.

If your motorcycle is stolen or destroyed, it will be replaced with a brand new, current year model! Imagine if your bike never lost value. That is essentially what this policy is providing.

This benefit is what makes American Modern unique. No other insurance company provides this coverage.

Motorcycle Insurance Details

Two Loss Settlement Options

- **Replacement Cost** - This is an option for a street-driven unit that is two model years old or newer. Both comprehensive and collision coverage must be purchased. Mopeds, scooters, off-roads and customs are not eligible.
- **Actual Cash Value** - In the event of a total loss or theft, we pay the actual cash value, which includes a deduction for depreciation. For a partial loss we pay the repair cost, minus depreciation for damaged parts. The policy deductible applies.

Accessories: When you purchase comprehensive & collision coverage, equipment you add to the bike that did not come from the manufacturer (as identified by the VIN) is covered separately up to \$3,000. You can buy up to \$30,000 in coverage.

Safety Apparel / Personal Effects: Policies provide an additional \$1,000 coverage on approved clothing and helmets, if damaged in an accident.

Trip Loss Reimbursement: We reimburse you for transportation, lodging and expenses if your bike becomes disabled due to a covered loss, more than 100 miles from home. We also include up to \$300 for towing costs, regardless of how far you are from home.

Replacement vs Actual Cash Value

Remove Depreciation From A Total Loss Claim

Most insurance policies will only payout/settle a claim with the Actual Cash Value of your motorcycle--leaving your THOUSANDS (\$\$\$) short of a brand new model.

American Modern's Motorsports Policy's Replacement Coverage NEVER Expires. Your qualified motorcycle will be replaced with a Brand New, Current Year Model with NO DEPRECIATION!

- 2018 H-D FLTRXS Current NADA Value = \$19,365 - \$25,480
- 2020 H-D FLTRXS MSRP starts at = \$27,299 - \$29,399

Which Amount Would You Want??

(Side Note: You don't have to be the 1st owner of the motorcycle to qualify for this replacement coverage. The Model Year needs to be the current year or up to 2 years old)
