Specialized Coverage

Motorcycle Replacement Coverage NEVER Expires (No Depreciation)

Eliminate depreciation in the event of a claim for as long as you own your bike. Imagine your motorcycle never lost value; that is essentially what this coverage provides. Most other insurance companies cancel replacement cost when the bike reaches its third year.

Replacement Coverage For Accessories And Personal Effects

Policy provides coverage for items that were not originally included by the manufacturer of the vehicle as identified by the VIN number. (Custom Paint, Saddle Bags, Chrome Accents, Side Cars, ect.) Coverage also extends to personal effects damaged or lost during a covered event--includes safety apparel.

Diminishing Deductibles & Accident Forgiveness

Both Comprehensive and Collision Deductibles are reduced at each renewal as long as the policy is claim free until the deductible is \$0!

We all make mistakes and now your premium won't go up just because of your first accident.

Roadside Assistance & Trip Interruption

Bikes break down and if you stranded, the policy can provide coverage for towing & emergency roadside service. Should the disablement happen a distance from home, there is coverage for transportation, lodging, and meal expenses.
